

CONMIGO®

***It's Time to
Travel Smarter***

Upgrade Your Seat

Travel enables your sales team to have quality face to face time. Upgrade your team's seat with the all new ULTI Travel Bag by CONMIGO. A bag re-engineered with a built-in cushion for first-class comfort on long flights, waiting at the airport, even working out of coffee shops.

Safety and Comfort

The ULTI bag offers more than just comfort. It provides peace-of-mind. The ULTI cushion is connected via sturdy nylon straps so the bag nests behind your legs. No more working with one eye open to protect your bag from theft. Computer equipment and work files are invaluable to your business.

SECURE SMARTPHONE HOLDER

WATER BOTTLE/UMBRELLA POUCH

2 EASY ACCESS POCKETS

EASY ACCESS FILE/
WRITING INSTRUMENT COMPARTMENT

Design and Function

- Perfect when a backpack doesn't meet needs or style
- Goes well with business attire
- Easily converts from messenger bag to classic briefcase
- Colors: obsidian shell and cobalt blue shell with cerulean blue interior
- Airline compliant under seat stowage
- Customize the bag with your company's logo- (with a minimum order)

Organization

- 16 compartments: 5 exterior and 11 interior
- Dedicated secured shoulder strap cell phone compartment
- Multi-purpose detachable padded cushion/portfolio/TSA approved electronics sleeve
- Padded laptop sleeve, can hold a 13" tablet/laptop and main interior pockets handles a 17" laptop
- Vividly colored lining ensures that you never lose items in the abyss of your luggage's interior
- Full sized interior mesh zippered compartment
- Water bottle/umbrella pocket on front of bag
- Gusseted expansive central zippered compartment
- Writing implement and file folder sleeves

Comfort

- Light weight — 3.7 pounds (1.6 kgs)
- Trolley sleeve with zippered pocket
- Banish lower back, bum and leg aches with padded cushion
- Optimized weight distribution and lessened back/neck pain with cross body design with padded strap
- Enhanced personal space and extra leg room as bag is positioned behind legs while seated on cushion

Safety

- Lifetime guarantee
- Protection from pickpockets — the bag can be held close to the front of your body
- While seated on the pad it positions the bag safely behind your legs
- The crossbody style keeps hands free so you can hold on to what matters to you
- Phone is always close at hand in its shoulder strap dedicated compartment
- Shell — water resistant ballistic nylon
- Key ring holder
- All pockets are secured

Materials
